## Tesla Hit With \$137M Verdict In Race Harassment Trial

By Hannah Albarazi (October 4, 2021, 8:53 PM EDT) -- A California federal jury awarded \$136. 9 million to a Black former Tesla subcontractor Monday after finding that he was subjected to a racially hostile work environment at the electric vehicle maker's Northern California factory and that the company was responsible for the ensuing harm, according to the plaintiff's counsel. The jury heard testimony from several former subcontractors who said they heard the N-word used daily at Tesla's factory in Fremont, California. (AP Photo/Richard Vogel) After less than four hours of deliberations, the jury determined that Tesla Inc. subjected former subcontractor Owen Diaz to a racially hostile work environment and that Tesla was his joint. . .

### Stay ahead of the curve

In the legal profession, information is the key to success. You have to know what's happening with clients, competitors, practice areas, and industries. Law360 provides the intelligence you need to remain an expert and beat the competition.

- Access to case data within articles (numbers, filings, courts, nature of suit, and more.)
- Access to attached documents such as **briefs, petitions, complaints, decisions, motions, etc.**

- Create custom alerts for specific article and case topics and [so much more!](#)
